TOP GRADE MOLDS

MMC
Modular Mold Change

Patented

Stage 1

Stage 2

Stage 3

- **Change-over time from product to product in as little as 20-30 minutes for large stack molds**
- **Quick coupling and positive locating systems for ease of module installations**
- **NO required un-coupling of water lines or air lines**
- **NO draining of water required**
- **Fully sealed wet-plate design**
- **Substantial cost savings**
